Early Access has been delayed a bit.  
 But we know what to do.

We truly hate not being able to communicate as freely as we usually do, however due to the sensitive nature of our current situation, we can't divulge too much information right now. I know this isn't the announcement everyone wanted to hear but we needed to let our fans know that the Early Access release has been delayed a bit. Just know that we are working on a ton of things to ensure the game gets out to you as soon as possible. We ask everyone to hold the line just a little longer. Thanks!
